CAREER OBJECTIVE

I am a Higher Nitec student in Cyber and Network Security at the Institute of Technical Education (ITE). I am passionate about making digital environments safer and more secure. I am seeking an internship where I can apply my growing skills in network security, Python programming, and problem-solving. I want to gain hands-on experience, participate in real cybersecurity operations, and build a foundation for a future career in ethical hacking or as a security analyst.

EDUCATION

ITE College Central, Ang Mo Kio
Higher Nitec in Cyber & Network Security (April 2025-Present)

ITE College Central, Ang Mo Kio
